

Wycliffe Bible Translators
2012 ANNUAL REPORT

Greetings from Wycliffe Canada.

As I look back over this past year, I'm overwhelmed with God's goodness to this organization. A few highlights are worth sharing:

- After a decade of decline, we've experienced 18 months of staff growth, bringing fresh ideas and much-needed energy.
- We've launched new strategic initiatives to better serve the Canadian Church in her engagement in Bible translation.
- And, as of 2012, for the first time in history, the number of languages needing to begin Bible translation has dropped below 2,000!

This is a very small sampling of what the Lord has done and it was made possible with your help. On that note, I would be remiss if I didn't offer you the opportunity to go deeper in His work. The harvest is still plentiful and the workers are still too few, so would you prayerfully consider increasing your support of Bible translation?

On behalf of our entire staff, I just want to thank you, our partner, for your prayers and financial support. We look forward to another year serving with you. If we can assist you with updates, information or prayer, please let us know.

With great appreciation,

Roy Eyre
